

✦ Invitation and Notice for the Annual Meeting & Anniversary Weekend – Svenska ADB-klubben Celebrates 10 Years, April 24–26! ✦

We warmly welcome you to celebrate the 10-year anniversary of the Swedish ADB Club together with us!

It will be a weekend filled with everything we love – community, activities, annual meeting, lecture, dog show, and a festive anniversary dinner.

We hope you will join us, and feel free to dress a little extra festive for Saturday's dinner!

Lecture

☀ Welcome to a unique and inspiring lecture! ☀

Magnus Frödell will present a completely new and specially developed statistical tool for our breed – a tool designed to provide deeper insights, smarter decisions, and stronger breeding strategies.

During the lecture you will receive:

- An exclusive walkthrough of the tool – how it works and how you can use it in your breeding and development work.
- A deeper look into breeding strategy and statistics – what truly matters for our breed and how we can

strengthen future generations.

- Practical examples that make the theory easy to apply.

This is a valuable opportunity to learn something new and gain a tool that supports the future of the breed.

Perfect for anyone who wants to stay one step ahead!
